**23. Material litigations**

(i) Legal claim against Trans Pacific Textile (M) Sdn Bhd (“**TPTM**”)

A subsidiary of the Company, TPTM received a Notice of Arbitration from Pembinaan Thong Lian Sdn Bhd (“**PTLSB**”). TPTM had engaged PTLSB for the construction of a textile factory and waste water treatment plant (“**Project**”) via its Letter of Acceptance dated 24 January 2017 and Letter of Supplemental Agreement dated 2 May 2017. As the completion of the Project was behind the original schedule, TPTM was awarded liquidated ascertained damages (“**LAD**”) of RM6.52 million following an adjudication proceeding.

Following the decision of the Adjudicator, PTLSB initiated an arbitration to claim the following:-

- (i) Wrongfully deducted LAD of RM6.52 million;
- (ii) Retention sum of RM1.51 million;
- (iii) Damages suffered for alleged breach of contract by TPTM and the architect;
- (iv) Interest on any sums awarded in the Arbitral tribunal from such date as the Arbitrator deems fit and proper;
- (v) Cost of the arbitration; and
- (vi) Such other or further reliefs as the Arbitral Tribunal shall deem fit.

TPTM has engaged a legal firm to represent it to defend the claim brought by PTLSB. The parties have agreed on the appointment of the sole arbitrator and the first preliminary meeting was conducted on 25 August 2022.

All pleadings have been filed by both parties detailing out the position of both parties in this arbitration as well as the common bundles of documents, agreed facts and list of witnesses.

On 22 January 2024, PTLSB had delivered an application to amend their statement of case which was allowed by the Arbitral Tribunal on 31 January 2024. Further, the Arbitral Tribunal had also fixed new deadlines for the parties to exchange the expert reports, witness statements and joint expert report on 23 February 2024, 29 February 2024 and 12 April 2024 respectively.

Following the ruling of the Arbitral Tribunal, TPTM had on 23 February 2024 filed an application under Section 18 of the Arbitration Act 2005 at the High Court to appeal against the said ruling allowing PTLSB to amend its statement of case. In addition, on 18 March 2024, the Arbitral Tribunal had confirmed that the arbitration proceedings are stayed pending the disposal of the application filed by TPTM at the High Court and consequently vacated all hearing dates.

The completion of exchange of Affidavits and filing of Written Submissions took place from April 2024 until end June 2024. The High Court then heard TPTM’s application on 1 July 2024 whereby after the Hearing, the High Court had directed parties to produce further legal authorities on or before 12 August 2024 to support their respective arguments and/or positions taken in this proceeding and fixed 21 August 2024 to deliver its Decision. TPTM had produced the said further legal authorities to the High Court on 16 August 2024 (pursuant to an extension of time agreed by the parties and allowed by the High Court).

On 21 August 2024, the High Court had allowed TPTM’s application with no order as to costs and further ordered that the ruling of the Arbitral Tribunal dated 31 January 2024 in allowing PTLSB to amend their statement of case be set aside. The High Court also ordered that PTLSB’s application be remitted back to the Arbitral Tribunal to be reheard on merits and for both parties to be provided with the right to file full and proper legal submissions before any ruling is given by the Arbitral Tribunal.

**23. Material litigations (cont'd)**

The sealed High Court Order was duly served on the Arbitral Tribunal on 3 September 2024 upon its extraction from the High Court's registry to which the Arbitral Tribunal was notified of the Court's directions for the application to be reheard on merits. In this regard, pursuant to Order for Directions No. 15 dated 9 December 2024 issued by the Arbitral Tribunal, both parties had completed the delivery and exchange of legal submissions. The parties are awaiting the Arbitral Tribunal to fix a date to deliver its decision in respect of the matter.

The Directors of the Company do not expect the outcome of the action to have a material effect on our Group's financial position. Furthermore, the solicitors having conduct of the matter are of the opinion that there is a more than equal chance for success on the primary defences and the heads of TPTM's claims in the counterclaim.
